2. I see a line of cars and they're all painted black
With flowers and my love both never to come back
I see people turn their heads and quickly look away
Like a new born baby it just happens ev'ry day.

3. I look inside myself and see my heart is black
I see my red door and I want it painted black
Maybe then I'll fade away and not have to face the facts
It's not easy facing up when your whole world is black.

4. I No more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comes

5. I see a red door and I want it painted black
No colours anymore I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goes.
