

This document will help you understand how to customize elements within volume 1 of gray web 2.0 elements. Follow the steps below:

1. Open the Photoshop file “gray-web-elements-vol1.psd”
2. To change the title of each element, go to folder “Info Box, Sign In, ect...”
>> “Title” and change the type layer at the top:

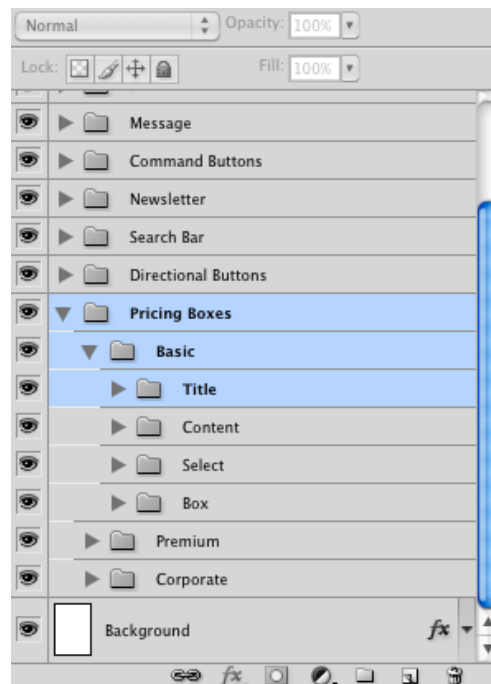

Repeat the same steps with each element.

3. The folders “Command Buttons” and “Directional Buttons” in the layers palette each contain 5 buttons. The “Command Buttons” are “Download”, “Upload”, “Read More”, “Login” and “Cancel”. The “Directional Buttons” are the left arrow, right arrow, “Prev”, “Next” and “...”:

4. Contained in the “Pricing Boxes” folder in the layers palette are the three pricing boxes “Basic”, “Premium” and “Corporate”. To change the title of each box, expand one of the folders and edit the top text layer within the “Title” folder:

I hope this is helpful for you, if you have any questions on how to customize the elements, shoot us an email at: support@hishandiwork.biz

The main font used on all the elements is "Gill Sans" which can be downloaded here: <http://new.myfonts.com/fonts/agfa/gill-sans/>

Thanks for purchasing... Enjoy!
