

HOW TO RUN THE ACTION

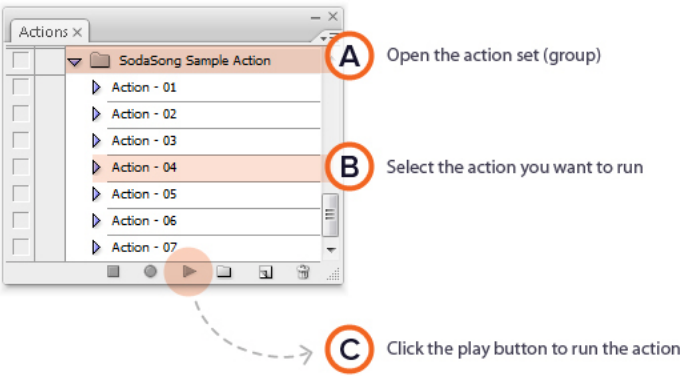

1. **Open a photo** you want to work with

2. **Preparing your photo and Photoshop**

Please read basic instruction #B2 "**Before You Run the Action (Important)**"

3. **Run the action.**

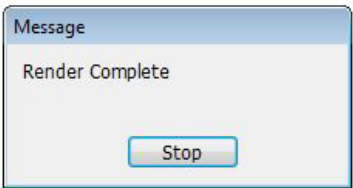

Go to action panel. Select the action you have been installed. Now open the action set/group **(A)**, select the action you want to run **(B)**, then click the play button to run the action **(C)** - *(see the picture below).*

4. **Finish**

A message box will appear when the action is completed *(see the picture below).*

Click STOP to finish it.

To open the Action Panel: **Menu Bar > Window > Actions**
