PREPARATIONS AND STARTING

- 1 Make shure, that the «Actions» panel is visible. To open this panel use **Alt+F9** combination, or open it with menu «**Window › Actions**»

- 2 Load Stereo Modern Art action by pressing on «Actions» panel menu icon  and chosing menu item «Load actions...»

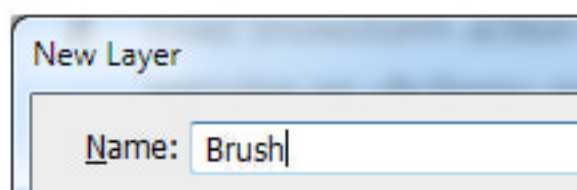

- 3 Load Stereo Modern Art Brush by pressing on «Brush» panel menu icon  and chosing menu item «Load brushes...»

- 4 In «**Layers**» panel options make shure, that option «**Add «copy» to copied layers and groups**» is enabled (default option)

- 5 Open your image (**Ctrl/Cmd+O** or menu «**File › Open**»)

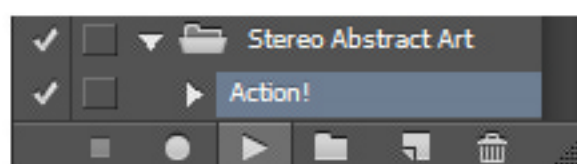

- 6 Make new layer, called «**Brush**» (**Ctrl/Cmd+Shift+N** or menu «**Layer › New › Layer...**»).

- 7 Fill the area on «**Brush**» layer, that action should not be touched . You can use «**Brush Tool**», or any other ways to fill that area. Hide layer «**Brush**».

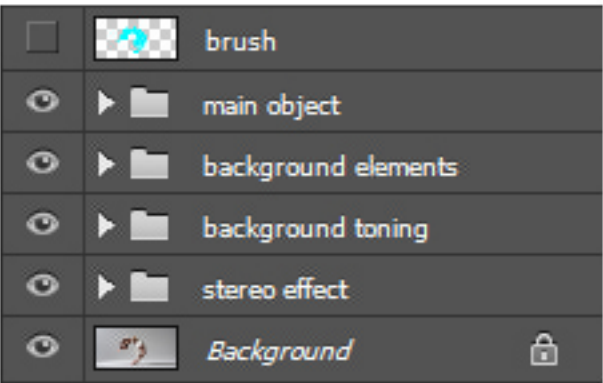

- 8 Play the Stereo Modern Art action!

RESULT EDITING

Upon completion of the action, in the «**Layers**» panel you will see this structure:

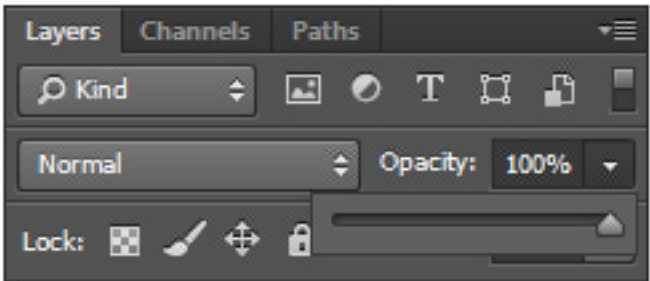

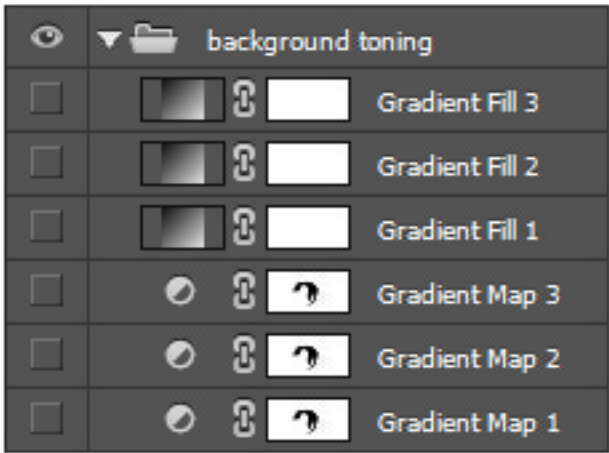

You can make layers visible and hide them by pressing the eye icon 

Layer editing:

Select the layer, if it's hidden make it visible. In the header of the «**Layers**» panel, use the «**Opacity**» slider to adjust the effect.

Each group accomplishes its task in creating a common image. You can open the groups by pressing arrow icon . Each group contains layers:
