Thank you very much for purchasing  
D'ont forget to follow me and to rate

There are three possibilities to install  
action first one is double click action  
and will be appear with another action in  
action panel of photoshop in another  
way you can move the action in preset  
folder of photoshop /Presets/Photo-  
shop Actions/ find it in c:\Program  
Files\Adobe\<Photoshop Version> this  
is for windows and for mac it'll be at  
/Applications/<Photoshop Version> you  
can also load action in panel action load  
action and search the place where you  
are extract the file zip that contain the  
file action
