

README FIRST

Hai, thank you for purchasing **Hip Photoshop Action**.

First of all, you need to install/load, the ATN file **Hip © AndriyFM.atn** into your Photoshop Action Panel. If you are not sure on how to install/load the action, please read the basic instruction.

This action was made carefully using the method for multi language of Photoshop. If you are not using the English version of Photoshop, it is recommended to read the basic instruction **Non-English Photoshop**.

This action has been tested and working on **Photoshop CS3, CS4, CS5, CS6** (tested in English and French version).

Important:
please read the **Basic Instruction.pdf (Before You Run The Action)**.

Don't hesitate to contact me if you need any help. Please only send me an email through **AndriyFM** profile page.

Please don't forget to **rate 5 stars** if you like this action. Your support is highly appreciated.

Thank you so much!

Warm Regards
AndriyFM
