

Converting Virtual Machines from Hyper-V to Workstation

TRAINSIGNAL
THE GLOBAL LEADER IN PROFESSIONAL COMPUTER TRAINING

Converting VMs from Hyper-V to Workstation

Three Options:

1. Use VMware Converter to Convert from Hyper-V
2. If You Only Have the VHD, Install / Use MS Virtual PC or Client Hyper-V to Mount the VHD and then Convert it with VMware Converter
3. Use the Free Tool, WinImage, to Convert VHD to VHDX
